American Association of State Highway and Transportation Officials

Executive Committee 2020–2021

Voting Members

Officers:

President: Victoria Sheehan, New Hampshire

Vice President: Shawn Wilson, Louisiana

Secretary-Treasurer: Russell McMurry, Georgia

Regional Representatives:

REGION I: Joe Giulietti, Connecticut
Marie Therese Dominguez, New York

REGION II: Kevin Thibault, Florida
Vacant

REGION III: Craig Thompson, Wisconsin
Julie Lorenz, Kansas

REGION IV: James Bass, Texas
Bill Panos, North Dakota

Nonvoting Members

Immediate Past President: Patrick McKenna, Missouri

AASHTO Executive Director: Jim Tymon, Washington, DC

Committee on Materials and Pavement
Technical Subcommittee 5d on Pavement Design

Chair
John Donahue
Missouri Department of Transportation

Vice Chair
LaDonna Rowden
Illinois Department of Transportation

Members

Scott George
Alabama Department of Transportation

Ali Zareh
Arizona Department of Transportation

Craig Wieden
Colorado Department of Transportation

Robin Davis
Delaware Department of Transportation

Rhonda Taylor
Florida Department of Transportation

Ian Rish
Georgia Department of Transportation

Chris Brakke
Iowa Department of Transportation

Richard Barezinsky
Kansas Department of Transportation

Paul Looney
Kentucky Transportation Cabinet

Jeffery Lambert
Louisiana Department of Transportation and Development

Derek Nener-Plante
Maine Department of Transportation

Sejal Barot
Maryland Department of Transportation

Ed Naras Pavement
Massachusetts Department of Transportation

Curtis Bleech
Michigan Department of Transportation

Curt Turgeon
Minnesota Department of Transportation

Thomas Booth
Mississippi Department of Transportation

Jeffery Mann
New Mexico Department of Transportation

Wes Yang
New York State Department of Transportation

Clark Morrison
North Carolina Department of Transportation

Patrick Bierl
Ohio Department of Transportation

Mark Woods
Tennessee Department of Transportation

L. Nussbaum
Utah Department of Transportation

Aaron Schwartz
Vermont Agency of Transportation

Robert Crandol
Virginia Department of Transportation

Jeff Uhlmeyer
State Pavement Engineer
Washington State Department of Transportation

Other

AASHTO
Ryane Fragapane
AASHTOWare

Federal Highway Administration
Gina Ahlstrom, Ex Officio
Tom Yu

Transportation Research Board
Amir Hanna

Table of Contents

CHAPTER 3. Significance and Use of the MEPDG 1
3.1 MEPDG Performance Indicators 1

CHAPTER 4. Terminology and Definition of Terms 3
4.5 Distresses or Performance Indicator Terms—AC-Surfaced Pavements 3

CHAPTER 5. Performance Indicator Prediction Methodologies 5
5.3 Distress Prediction Model for Flexible Pavements and HMA Overlays 5
5.3.3 Load-Related Cracking 5

CHAPTER 7. Selecting Design Criteria and Reliability Level 13
7.1 Recommended Design-Performance Criteria 13

CHAPTER 8. Determining Site Conditions and Factors 15
8.1 Truck Traffic 15
8.1.2 Inputs Extracted from WIM Data 15
8.1.3 Truck Traffic Inputs Not Included in the WIM Data 16
8.2 Climate 17

CHAPTER 10. Determination of Material Properties for New Paving Materials 19
10.2 HMA Mixtures, Including SMA, Asphalt-Treated or Stabilized Base Layers, and Asphalt Permeable Treated Base Mixes 19

CHAPTER 11. Pavement Design Strategies 23
11.1.9 Pavement Structure for Top-Down Cracking Prediction 23

CHAPTER 12. Rehabilitation Design Strategies 24.1
12.12.4 Decide on Pre-Overlay Treatment 24.1
12.12.8 AC Overlays of Existing Intact PCC Pavements, Including Composite Pavements (One or More AC overlays of Existing JPCP and CRCP) 24.1

CHAPTER 13. Interpretation and Analysis of the Trial Design 25
13.4 Predicted Performance Values 25
13.5 Judging the Acceptability of the Trial Design **25**
